

Term 3 Week 5

Sorry for the delay in the newsletter this week but as you will see not too much to mention that is new.

Thank you to everyone who attended the fantastic Taste of Scotland event. It was lovely to see so many people from our school and wider community come together. A big well done to the senior class and Mrs Magalon for all of your hard work.

We have noticed at school pick up time that some children are reverting to climbing over the fence out on to the road or into the park. Can I remind everyone that children should be exiting through the front gate. The main reasons for this were pupil safety, damage to the fence and our opportunity to make sure that everyone who needed picked up was picked up safely.

We also had a traffic survey completed of the surrounded area to the school. The main things that were picked up was during drop off and pick up time. Under no circumstances should children be dropped off on the zig zag lines outside of the school gate. Can we please ask that parents park their car before allowing children to exit. The survey has suggested that we try to get a park and stride in place for when a car drop off is necessary and the JRSO are working on road safety at the moment. Look out for more on this.

Staffing

Mrs Dickson's last day is Thursday, remember you are welcome to come in to say goodbye.

Survey still Open

Vision, Values and Aims

Along with the children we are going to be updating our Vision, Values and Aims. This is a big job and requires input from all stakeholders. We have started looking at vision and ask you to click on the link and fill out the quick questionnaire.

Marykirk Update

Week Beginning

05/02/24

Ready Respectful Aspiring

Spring Garden Clear up

We are asking for parent and pupil volunteers to help us to tidy up the Garden/polytunnel, cut back the willow and potential help us to create a wild flower garden. Once we have numbers and possible dates the plan would be to come in one Saturday and work together to make our grounds summer ready. Can you email the school your availability if you are interested.
